Status of the document	final

## **AGENDA**

### ***Guest lecture***

#### ***University of Montenegro – Biotechnical Faculty (online)***

Friday 08<sup>th</sup> November 2024

14:00 – 14:45 h Prof.dr Milena Yordanova – Agroforestry and horticulture

As part of WP3 – Activity 3.4 of the project “Agroforestry Practices in the West Balkans: Weaknesses and Strengths – AGFORWEB” the online guest lecture was held on Friday 08<sup>th</sup> November 2024 at University of Montenegro – Biotechnical Faculty. Topic of the lecture was: Agroforestry and Horticulture. The lecturer was prof. Dr. Milena Yordanova from the University of Forestry, Faculty of Agronomy, Sofia, Bulgaria.

In addition to the representatives of the partner institution on the project - the University of Montenegro - Biotechnical faculty (UOM), the lecture was also attended by undergraduate students and students of master study programs. A total of 16 participants were present. The list of attendees is attached below.

The lecture started at 14:00. Prof. Yordanova started presentation of this very attractive topic with the theoretical basics of Agroforestry, Horticulture, Alley cropping etc. After that, the practices of Agroforestry Systems, Forest Farming, and Horticultural Agroforestry Systems were presented. The presentation was followed by a discussion. The questions were mainly focused on the most common practices of these systems in Bulgaria, as well as the possibilities of using subsidies for the development of these systems..

The lecture ended with questions and discussion at 14:45
